**FOR IMMEDIATE RELEASE**

**LBC CREDIT PARTNERS PROVIDES SENIOR SECURED CREDIT FACILITIES TO SUPPORT THE REFINANCING OF EMTEC AND ACQUISITION OF SUMMIT TECHNOLOGY**

**Philadelphia, PA, December 15, 2015** - LBC Credit Partners ("LBC"), a leading provider of financing solutions to middle market companies, provided senior secured credit facilities to Emtec, Inc. ("Emtec"). The proceeds were used to refinance the company's existing debt and to acquire Summit Technology, Inc. ("Summit Technology"). In addition, the new facilities will provide a source of funding for limited share repurchases, working capital and future acquisitions.

LBC Credit Partners served as Agent for the senior secured credit facilities.

Emtec, Inc. provides industry-specific transformative digital solutions to organizations in the enterprise, government, and education markets. With offices in the U.S., Canada, and India, Emtec provides services that span the entire IT lifecycle: from advisory through enterprise, custom, mobile and cloud applications, as well as analytics and infrastructure services.

Based in Alabama, Summit Technology is a healthcare-focused consulting and managed services firm, specializing in Oracle's HCM, ERP and Cloud applications. Summit Technology has a 20+ year track record of outstanding consulting and managed services within the Oracle PeopleSoft and Taleo space, serving clients worldwide.

The acquisition takes advantage of the synergies between the two companies, providing customers with robust technology solutions.
