FOR IMMEDIATE RELEASE

LBC Credit Partners Provides Senior Secured Credit Facilities to Support the Recapitalization of Integrated Oncology Network

Philadelphia, PA, October 18, 2018 – LBC Credit Partners ("LBC") a leading provider of financing solutions to middle market companies, provided senior secured credit facilities to support Silver Oak Services Partners, LLC's ("Silver Oak") recapitalization of Integrated Oncology Network ("ION").

LBC served as Joint Lead Arranger for the senior secured credit facilities.

ION is a leading provider of physician management, radiation oncology management and cancer center development to hospital and physician partners. ION is a partner in 19 centers across eight states, providing expertise in strategic solutions, development, financing and management services including radiation oncology operations, revenue cycle management, compliance, HR, IT and accounting.

Silver Oak invests in healthcare, business, and consumer services companies in the lower middle market, typically with EBITDA of \$4 million to \$20 million. ION is the sixth platform investment out of Silver Oak Services Partners III.
