### **FOR IMMEDIATE RELEASE**

## **LBC Credit Partners Provides \$35,000,000 Second Lien Facility to Support Monomoy Capital Partners' Recapitalization of MPI**

**Philadelphia, PA, June 27, 2013** - LBC Credit Partners ("LBC"), a leading provider of financing solutions to middle market companies, announced that it was Administrative Agent and Lead Arranger for a \$35,000,000 second lien term loan to support the recapitalization of MPI Products, LLC ("MPI"), a Monomoy Capital Partners portfolio company acquired last fall. MPI is the latest investment by Monomoy Capital Partners in the automotive parts industry.

This transaction is a continuation of the strong relationship between LBC and Monomoy. Ease, reliability and certainty of execution were factors in Monomoy's choice of LBC. LBC was pleased to support Monomoy's goal of building out its investment portfolio in the automotive parts industry with the addition of MPI.

Headquartered in Rochester Hills, Michigan, MPI is North America's leading manufacturer of high-precision, fineblanked metal components for powertrain systems, hydraulic systems and other safety-critical automotive and industrial applications. Their automotive customers include several large car makers and a wide array of Tier I automotive suppliers. The Company employs over 700 team members at four North American manufacturing facilities and its corporate headquarters in Michigan.

Monomoy Capital Partners is a private equity firm with \$700 million in committed capital that makes control equity investments in middle market businesses in the manufacturing, distribution, consumer product and food service industries. Over the past five years, Monomoy has closed nearly 40 middle market acquisitions, and its companies currently produce over \$1.2 billion in combined sales and employ more than 4,000 people across four continents, from North America to Asia. Monomoy implements customized business improvement programs in all portfolio companies that reduce operating expenses, increase profitability and encourage profitable growth.
