LBC Credit Partners Provides \$35,000,000 to Finance Growth in Retail Supply Sector

Philadelphia, PA, May 14, 2013 - LBC Credit Partners ("LBC"), a leading provider of financing solutions to middle market companies, announced the completion of a \$35.0 million senior secured term loan to idX, a portfolio company of ACON Investments ("ACON"). The financing was used to refinance existing debt and will provide support for idX to continue the execution of its strategic growth plan, including acquisitions and investments in its domestic and offshore operations.

idX is a privately held company that specializes in retail display fixture manufacturing, logistics and project management. With over 20 years of experience working in domestic and international markets, idX has played an integral role in helping leading companies achieve their brand vision. The Company maintains seventeen facilities and offices worldwide housing over 2.5 million square feet of manufacturing and warehousing space, and over 1,000 dedicated idX employees.

ACON and idX approached LBC Credit Partners for financing that would allow idX to invest in the infrastructure and enable idX to expand its position as a market leader in customized fixture solutions. LBC served as the Sole Lead Arranger, Sole Bookrunner and Administrative Agent for this transaction. With much expertise in both retail products and manufacturing markets, as well as in supporting growth, LBC's knowledge of industry challenges and opportunities was integral to helping structure the deal. Additionally, idX appreciated LBC's flexibility and ability to move quickly.

With offices in Washington, Los Angeles, Madrid, Sao Paulo and Mexico City, ACON Investments is an international middle market private equity investment firm with over \$2.5 billion of capital under management. ACON, founded in 1996, pursues a theme-based investment strategy by focusing on industries or businesses at key inflection points in their development and pursues these opportunities in close partnership with established management teams. Among ACON's investors are some of the largest institutional investors in private equity, including major public pension funds and sovereign wealth funds.
