

**LBC CREDIT PARTNERS PROVIDES FINANCING TO A PHARMACEUTICAL  
MANUFACTURER AND AN AUTOMOTIVE PARTS SUPPLIER**

PHILADELPHIA, April 19, 2010

**LBC Credit Partners**, a leading provider of financing solutions to middle market companies, today announced the funding of a \$10 million junior secured loan to support the acquisition of a pharmaceutical company and a \$15 million senior loan to fund the recapitalization of an automotive parts supplier. The pharmaceutical company is a manufacturer of private label, and store brand pharmaceutical products and the automotive supplier produces a wide range of critical parts for the transportation industry.

"We are pleased to play a role in supporting equity sponsors' initiatives and providing capital to allow management teams to pursue their long-term growth objectives for their businesses," said John Brignola, a partner with LBC. "These transactions are successful examples of LBC's broad range of financing solutions for sponsors and management teams and further confirmation of our commitment to middle market financing."

**LBC Credit Partners** is a leading provider of middle market financing solutions including senior term, unitranche, second lien, junior secured, and mezzanine debt; and equity co-investments to companies with EBITDA generally greater than \$10 million. LBC follows a long-term approach to investing adhering to a "lend and hold" strategy and typically invests \$10 million to \$50 million per transaction supporting acquisitions, growth strategies, refinancings, recapitalizations, and restructurings. LBC has more than \$1 billion of capital under management and has made investments in a wide range of industries located throughout North America.
